

**CANTONMENT  
PRIMARY SCHOOL**

25 February 2022

Ref: 2022-062

Dear Parents / Guardians

**Primary 5 Toy Making Workshop**

1. As part of our school's Applied Learning Programme (Thinking), we have planned a Toy Making workshop for all Primary 5 students. The Toy Making workshop offers all P5 students the opportunity to design an innovative toy using creative thinking strategies. Students work in teams to learn toy-making techniques and use Science to explain how their toy works.

2. The details of the sessions are as follows:

Class	Session 1	Session 2	Time	Venue
5 Care	9 March	13 April	2.15 – 4.45 pm	P5 classrooms
5 Graciousness	9 March	13 April		
5 Integrity	30 March	13 April		
5 Respect	9 March	6 April		
5 Resilience	9 March	13 April		

3. Students are advised to bring more money to buy lunch in the canteen or bring their own snacks. For the students' safety, they will not be allowed to leave the school premises while waiting for the workshop to start.
4. Kindly make your own transport arrangements for your child / ward after the session.
5. Students may work on improving their toys from March till June with support from their Science teachers.
6. Outstanding toys will be selected to represent the school at the Sony Creative Science Award competition organized by the Science Centre Singapore and the Sony Group of Companies in Singapore, with the support of the Ministry of Education.
7. If you have queries, please feel free to contact me at [caroline\\_manonmani@moe.edu.sg](mailto:caroline_manonmani@moe.edu.sg).
8. Please indicate your child's attendance by **Wednesday 2 March**.
9. Thank you.

Yours sincerely,

Ms Caroline M. Selva  
Head of Department (Science)
