Dear Parent / Guardian,

### Celebration of Learning @ CPS 2024

1. In Cantonment Primary, we believe that every child has a gift. And success is when we are able to actualize our gifts and talents to benefit not just ourselves and our families, but society as a whole, as espoused by our **school vision**, Concerned Citizens, Innovate Thinkers, Passionate Learners. We celebrate the diversity of gifts and talents our students have and their anchor in values. Hence, they continue to be resilient in the uncertain times ahead and synergize our different capabilities as a team to navigate whatever challenges that may come our way in Singapore.
2. The theme for the event this year is **Believe in Dreams!** No dream is too big, or impossible to achieve. By being proactive in planning and taking actions in small steps and learning to put first things first, our students will empower themselves to achieve their dreams. In Cantonment family, staff and students grow and glow together as we believe in our dreams – CPS provides warmth, support and acceptance for one another as we achieve our fullest potential together. On 14 November, our Primary 1 and 2 students will be having the Celebration of Learning to recognize their efforts and achievements. You are invited to join us.
