Ref: 2032- 181

Dear Parents/ Guardians,

1. Primary 2 Assessment (Semester 2)

As communicated on February 2023 (Ref: 2023-061), there is **no summative and weighted assessment for the Primary 2 students throughout the year**. The intent for the removal of all weighted assessments for the Primary 1 students is,

- 1) to give students more time to adjust to the new subjects and expectations during the beginning years; and
- 2) to provide added curriculum time to deepen students' learning and promote the Joy of Learning.

The Assessment Plan is appended for your reference.

Feedback will be provided termly to all parents through the Subject files and Students' Portfolio, which will contain student's work with teacher feedback. Parents will also receive feedback through the Holistic Progress Report and Holistic Development Profile each semester.

2. Parent-Child-Teacher Conference

Parent-Teacher partnership is integral in the child's education journey. In that light, we would like to thank all parents for participating in our Parent-Child-Teacher Conference (PCTC) for Semester 1, held on the 26 May 2023.

The second PCTC will take place on **14 November 2023**. The PCTC will be conducted face-to-face in school. More details will be shared with you nearer the date. Please note that you will only be meeting the form teacher during PCTC. If you would like to meet the subject teachers, please feel free to drop an email to fix an appointment with the respective subject teachers. The mode of conference, either face-to-face or online, will depend on the prevailing national posture.

Please log on to Parents' Gateway to acknowledge this letter or return the acknowledgement slip to the form teacher by **20 July 2023**. If you have any queries or feedback, do contact your child's form teachers.

Thank you.

Mrs Manokara S.
