2022-066

Dear Parent/Guardian,

English Week 2022 – Let Dreams and Aspirations Take Flight!

We are celebrating English Week in Term 2 Week 3.

On **7 April, Thursday**, we are having Character Alive Day. We are inviting your child/ward to dress up as a character inspired by his/her dreams or aspirations from around the world.

These characters can be what your child dreams or aspires to be when he/she grows up, e.g., a police officer, a musician, a scientist. Allow your child/ward to be creative and imaginative so that he/she will enjoy playing a character for a day in school.

The event will be held during recess. Your child/ward may come to school dressed in the character and change out of the costume after recess.

If your child/ward is having PE lesson before recess, he/she may change into his/her character outfits after the PE lesson. Please note that only school shoes are allowed to be worn for the day.

Prior to Character Alive Day on 7 April, your child/ward is encouraged to submit a video no longer than three (3) minutes on Student Learning Space (SLS): "English Week 2022: Talk about my Dreams and Aspirations", sharing with schoolmates about his/her dreams and aspirations dressed in his/her character. Selected entries will be showcased in a video montage during recess on 7 April 2022. Students can submit their entry from 1 March 2022 to 27 March 2022. Please inform your child/ward to approach his/her English teacher should you require further clarification.

We hope you can find time to help your child/ward with the preparation. Thank you for working with us to make the learning of English Language fun.

Yours sincerely,

Mrs Jocelyn Lee
Teacher-in-charge

Mr Nur Azhar Hassim
Subject Head (English)

CC: Mrs Manokara S 
Principal
Cantonment Primary School
