Dear Parents/Guardians,

P4 Subject-Based Banding 2023

The school would like to share some information regarding Subject-Based Banding (SBB) for the Primary 4 students as they progress to Primary 5 in 2024 through the Ministry of Education's website.

You may access this web link for more information regarding Primary 4 Subject-based Banding processes and information via MOE website:

<https://www.moe.gov.sg/primary/curriculum/subject-based-banding>

Please do take time to read through and understand what SBB is, to make informed decisions on the subject combination for your child/ward as he/she moves up to Primary 5 in 2024.

Please also be informed that at the end of Primary 5, school will assess your child's/ward's ability to cope with the subject combination. School will make the final decision with regards to the subject combination offered to the child/ward in Primary 6.

Thank you!

Yours sincerely,

Ms Malinda Lim
