Dear Parents / Guardians,

RE: "Cantonment Share-A-Textbook" donation drive

This year, Cantonment Primary School will be holding a donation drive for school textbooks.

The "Cantonment Share-A-Textbook" donation drive will be held from **30 October to 16 November 2023 for Primary 1 to 5**. Students can drop the textbooks according to different levels and subjects at the ICT corner near the canteen.

This effort aims to raise awareness about reducing carbon footprint by donating used school textbooks, which are in good condition, and can be used by someone else.

Guidelines for donation:

- We accept Primary 1 to 6 textbooks in the current syllabus only.
- Books must be in a good condition, e.g. no missing pages, not mouldy or yellow.
- Current students from P3 to P5 should not donate their science textbooks as they need them for revision.

Please remind your child/ward to place their used textbooks at the designated location in the school canteen.

As part of the Share-A-Textbook programme, we will be dropping the collected textbooks at NTUC. Parents may collect these used textbooks from NTUC. Do refer to the link for more information : <https://www.fairpricegroup.com.sg/do-good/faqs/#share-a-textbook>.

Thank you for working with us to educate your child/ward in raising awareness on the importance of reducing waste and carbon footprint through reusing textbooks.

Yours sincerely,

Mr Bunawar
