Ref: 2024-184

Dear Parents / Guardians,

PRIMARY 4 NATIONAL PHYSICAL FITNESS AWARD (NAPFA) TEST 2024

The NAPFA Test is a fitness assessment tool adopted for the Primary 4 and Primary 6 level and it is covered in the Physical Health and Fitness lessons as stipulated in the PE Syllabus. Fitness testing ensures the need for fitness in our students' lives and applying them in the context of physical activities and sports. It helps to evaluate and inform our students' strengths and areas for improvement and also serves as a tool to enhance or identify their general health.

The test comprises of **five static test items** (*inclined pull-ups, sit-ups, sit and reach, standing broad jump and shuttle run*) which are conducted on a day after school and a **1.6 km run-walk** conducted during PE Lessons. We have been preparing the students for the test since January 2024 by building their endurance from low intensity training and progressing gradually (*frequency, duration and intensity*) towards the actual test. They are also taught to set personal targets appropriate to their individual ability, with the focus on self-improvement and developing life-long habits for sustaining health and fitness.

The details of the NAPFA test (five static test items) are as follow:

Day / Date: Monday, 22 July 2024

ANNEX C: FREQUENTLY ASKED QUESTIONS

Q: Can my child/ward come home to take his/her lunch then report to school when it's time for his/her class to take the test?

A: For the safety of your child/ward, he/she is required to stay in school to take his/her lunch. The teachers will be taking their attendance and depending on the flow of the test, his/her class may start the test earlier. We will require all students to be present before the class begins the test. You may choose to meet your child/ward at the gate and pass him/her his lunch box.

Q: My child/ward is absent from school on test date. When will he/she be able to take the test?

A: Your child/ward will be able to retake the test during PE Lessons once he/she returns to school. If your child/ward is not well, please refer to Annex A on the guidelines for exemption.

Q: When will my child/ward be tested for the 1.6 km run-walk?

A: The 1.6 km run-walk test will take place during PE lessons in Term 3.

Q: What happens if it's wet weather (e.g. raining) on test date?

A: 4 Static stations (*Inclined pull-ups, sit-ups, standing broad jump and sit & reach*) are conducted indoors in the Level 2 Multi-Purpose Hall. The shuttle run will be conducted in the Parade Square. In the event of wet weather, your child/ward will take his/her shuttle run test during PE Lessons.

Q: My child/ward attained 26 points (e.g. 5 points [Grade A] for all 5 static stations, 1 point [Grade E] for 1.6 km run-walk) in the NAPFA Test. Why did he/she only receive a Bronze award, when the minimum for a Gold Award is 21 points?

A: With reference to the Award Requirement for NAPFA Test, your child/ward will need a **minimum C Grade (3 points) in all stations** before he/she can qualify for the Gold Award.

Q: Is the NAPFA Test part of my child/ward's PE Assessment Grade? Will the results affect my child/ward's PE Assessment Grade at the end of the year?

A: No, the NAPFA test is a fitness assessment tool to evaluate and inform us on your child/ward's strengths and areas for improvement and also serves as a tool to enhance or identify their general health. It will not be taken into consideration towards your child/ward's PE Assessment Grade.
