Dear Parents and Guardians,

Home-Based Learning for Primary 3

Cantonment Primary School will conduct Home-Based Learning (HBL) on 21 July 2022 (Thursday) and 22 July 2022 (Friday) for our Primary 3 students. This is in line with MOE directions in helping our students develop the skills and mindsets to become more independent and self-directed learners.

1. Support for Well-Being

Our teachers will be in regular contact with your child/ ward. If your child/ ward needs learning or emotional support, he/ she can contact the form teachers through email, WhatsApp Business (WAB) numbers or call the school at 6511 9555.

2. Support for Learning

During the period of HBL, school will provide instructions and support for your child/ ward to access a range of both online and hardcopy HBL resources so that learning can continue. Please take note that this HBL will be conducted in asynchronous mode, hence there will be no zoom lesson.

Teachers will continually be reiterating the importance of students applying the school values while navigating online. We hope parents can also impress upon your child/ ward the importance of navigating online safely and responsibly.
