Thinking Curriculum

- The Thinking Curriculum at CPS seeks to inculcate in students the attitudes, skills, and dispositions to approach challenges with a positive, inquiring and problem-solving mindset.
- We believe that when students are equipped with thinking skills and provided with opportunities to practice these thinking skills, they will develop the thinking dispositions needed to tackle challenges they face in the future.
- Through the Thinking Programme, our students are equipped with the attitudes, skills, and dispositions to become Concerned Citizens, Innovative Thinkers and Passionate Learners.

Thinking Curriculum

*‘... to cultivate **responsible** and **independent thinkers** who will contribute to the **quality of life** and **living** in the **community** and the **environment**.’*

‘The TC is a subset of the school’s total curriculum delivery.’

‘... thinking skills will be infused into the school’s current curriculum.’

Coherence between CCE (FTGP) and CCE (MTL)

CCE (FTGP)

CCE (MTL)

1. Both sets of lessons are based on same CCE Developmental Milestones and Learning Outcomes.
2. Both sets of lessons are designed to be complementary.
3. Both sets of resources have similar design.

Interdisciplinary Project Work

- Students synthesize the knowledge and skills learnt across disciplines and use them in real-life situations.
- Acquire the 21CC skills to prepare them for lifelong learning and the challenges ahead.
- Internalise National Education dispositions.
- Bring about joy in learning.

CANTONMENT
PRIMARY SCHOOL

Positive Learning Dispositions

Positive behaviours and attitudes that help lay a strong foundation for students to become life-long learners who find joy in learning

Learning Dispositions

JOY OF LEARNING

- Students possess the curiosity to learn.
- They derive satisfaction from learning new skills or discovering new ideas.
- They are resilient and do not give up easily when the problem is challenging.

OPEN-MINDEDNESS

- Students who are inventive are flexible in their thinking and can-do things in different ways.
- They possess a growth mind-set and reframe challenges.

EMPATHY

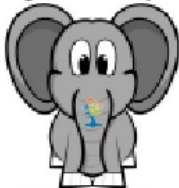

- Students recognise that everyone is different.
- They are able to understand and share another person's perspective, experience and emotion.
- They embrace differences, listen and respond to others with care and respect.

Our **LeaderinMe**® Journey

The “Leader in Me” programme, espoused from the “7 Habits of Effective People”, aims at introducing good habits to our students to help them be leaders of self and of others.

Starting 2021, it is introduced to CPS students of all levels and conducted weekly in our lower primary classrooms and through termly activities for the other levels.

Students are engaged in activities and discussions and spend time reflecting on different ways they can exhibit the habit.

Teachers go through trainings and workshops, conducted by Franklin Covey, so that they can effectively facilitate the learning and discussion of these habits.

Habit 7:
More ways to lead

Habits 4 – 6:
Leading Others

Habits 1 to 3:
Leading Self

7 Habits of LeaderinMe®

You're in Charge.

Have a Plan.

Work First, Then Play.

Everyone Can Win.

Listen Before You Talk.

Together is Stronger. We not I.

Balance is Best.

Parent-Child-Teacher Conference (PCTC)

Rationale for PCTC

PCTC provides an opportunity for **students to demonstrate their learning and understanding, as well as share their reflections.** With this, parents have a **fuller picture of their child's learning progress and holistic development**, and are better able to support their child at home. For the child, it is an opportunity to develop his/her confidence as a learner. This also further enhances the parent child bonding, teacher-student relationship and improves teacher-parent partnership.

- Twice a year
- First session scheduled in May
 - 15 min per child
 - Slot to be booked online
 - More details will be sent to you closer to date of conference

Home-School Partnership

Developing good habits

We want to nurture your child to be a self-directed learner with good habits and takes responsibility for his/her own learning.

- **Home routine**
 - *Have a specific place for items to be signed by parents*
 - *Set an early bedtime*
 - *Read with your child*
 - *Set them housework etc.*
- **Study area**
 - *Set up a conducive home environment e.g. set up a well-lit desk and a study area at home*

By having good home routines, you are setting your child up for life.

Developing good habits

We want to nurture your child to be a self-directed learner with good habits and takes responsibility for his/her own learning.

- **Home learning support**
 - *Parents complement school practices in terms of homework and learning support (if the child needs it)*
- **Nurture independent learner**
 - *By nurturing an independent learner. e.g. Parents should ask child about what he/she has jotted down in his/her Student Handbook instead of asking the teacher*

Developing good habits

We want to nurture your child to be a self-directed learner with good habits and takes responsibility for his/her own learning.

- **Allow failure**
 - *If your child forgets to bring something to school, do not panic, do not worry. Your child will not face harsh punishment i.e. **Do not bring items to school for your child if he/she has forgotten it.***

By letting your child forget, you are helping him/her remember.

CLASS INFORMATION

Class Expectations

- **Birthdays**

While birthdays are important days to remember, holding birthday parties in the school is not allowed. A culture of appreciation can be cultivated through simple and meaningful gestures like singing a birthday song in class. We want our students to build quality relationships with one another and avoid comparing the haves and have-nots.

- **Showing Appreciation**

Appreciation can be shown to teachers through simple ways such as gifting a card. Please do not buy expensive gifts for teachers.
