2022-044

Dear Parents/Guardians,

### **Primary 3 Co-Curricular Activities (CCA) Virtual Experience and Application 2022**

CCAs are an integral part of our students' holistic education. Through CCA, students discover their interests and talents while developing values and competencies that will prepare them for a rapidly changing world. All Primary 3 to 6 students are strongly encouraged to participate in one CCA so that they can enjoy a balanced and enriched primary school life. CCAs will be held on Tuesdays from 3.30pm to 5.30pm after curriculum time.

#### **CCA Virtual Experience**

Due to the pandemic situation and restrictions, Primary 3 students will get to learn more about the CCAs that the school offers virtually this year. Students will be able to find the videos and/or slides of each CCA through Student Learning Space (SLS) to gain better understanding of the CCAs before making an informed decision. You may also refer to Annex A for more information on the CCAs.

#### **CCA Application**

All Primary 3 students will be given the opportunity to indicate their **top 5 choices** from the 4 categories of CCA:

Choices	Categories
2	Physical Sports
1	Clubs and Societies
1	Performing Arts
1	Uniformed Groups

The CCA application will be done virtually as well. Please see the link/QR code below to submit your child's/ward/s top 5 choices.

You can make multiple amendments by submitting another form before the last day of application. Only the latest submission will be taken into consideration. Do note that this is **NOT** on a first come first serve basis.

Please note that your child's/ward's application **does not guarantee his/her participation** in the chosen CCA as each CCA has a student quota for the purpose of their safety and well-being. The school will do its best to give your child/ward one of his/her 5 choices.
