Dear Parents / Guardians,

Celebrating Earth Hour by giving #MyHourForEarth

Our Parent Support Group (PSG) is pleased to organise Earth Hour activities in conjunction with World Water Day activities on **Wednesday, 22 March**. Earth Hour is an environmental movement led by World Wildlife Fund (WWF) that unites people to protect the planet. As a WWF-Singapore Eco-School, we will be organising World Water Day and Earth Hour activities during the school recesses on Wednesday, 22 March.

To support our efforts, we ask that you:

- (i) Encourage your child / ward to come dressed in a **blue T-shirt** on Wednesday
- (ii) Work with your child on a 60-minute positive action he / she will take for Earth as part of the #MyHourForEarth efforts

Since its beginnings in 2007, Earth Hour has been known for the "lights off" moment – a symbolic event to show our collective support for the planet - driving awareness and actions for climate change and nature loss. This year, Earth Hour takes place on **Saturday 25 March, 8:30 pm local time**. You and your family can join the celebrations by giving an Hour for Earth - spend 60 minutes doing something positive for our planet - and create the #BiggestHourForEarth. Find out more at www.earthhour.org.

You can participate in Earth Hour online at www.earthhour.org or attend a physical Earth Hour event. WWF-Singapore is hosting a 3-day Earth Hour Festival at the Esplanade Theatres On the Bay from 24-26 March. The amazing festival will be an action-packed weekend filled with activities for all ages, including sustainability-themed performances, educational sustainability workshops, and talks by WWF-Singapore's experts to guide individuals in charting their own personal Net Zero plans! Learn more and sign up at <https://www.wwf.sg/earthhour/festival/>.

We hope you will enjoy and support Earth Hour. Together, we can make a big difference for our one shared home.

Thank you.

Yours sincerely,
