

24 March 2025

Ref: CPS 2025-095

Dear Parent / Guardian,

Primary 2 Learning Journey to the Singapore Science Centre 2025

This term, our Primary 2 students will visit the Singapore Science Centre (SSC) for an engaging Learning Journey. The excursion integrates science exploration with our core English curriculum, STELLAR 2.0. Through a specially designed workshop based on the STELLAR story 'A Life in a Shell', students will discover fascinating science concepts in an interactive setting. This hands-on experience is crafted to spark curiosity, encourage independent exploration, and inspire a sense of wonder in our young learners.

The Learning Journey will take place during regular school hours, with different classes scheduled to visit the Science Centre on separate dates. Please refer to the schedule below:

Term/Week	Day	Date	Classes visiting the Science Centre
Term 2 (Week 2)	Thursday	03/04/2025	P2 Care, P2 Graciousness and P2 Integrity
	Friday	04/04/2025	P2 Respect and P2 Resilience

Students will have their recess in school before departing for the Science Centre. As food purchases are **not** permitted at the SSC, please ensure your child brings adequate snacks for break time during the visit. Electronic devices, including mobile phones and cameras, are **not** permitted during this Learning Journey.

Schedule

Time	Itinerary
