# Our LeaderinMe® Journey

The “Leader in Me” programme, espoused from the “7 Habits of Effective People”, aims at introducing good habits to our students to help them be leaders of self and of others.

Starting 2021, it is introduced to CPS students of all levels and conducted weekly in our lower primary classrooms and through termly activities for the other levels.

Students are engaged in activities and discussions and spend time reflecting on different ways they can exhibit the habit.

Teachers go through trainings and workshops, conducted by Franklin Covey, so that they can effectively facilitate the learning and discussion of these habits.

**Habit 7: More ways to lead**

**Habits 4 – 6: Leading Others**

**Habits 1 to 3: Leading Self**

# Changes in PSLE Scoring

**Achievement Levels (ALs) has replaced T-Scores**

## Rationale

- To nurture different aspects of our students
- Reduce over-emphasis on academic results by :
  - Reduce fine differentiation at a young age
  - Recognise a student's level of achievement, regardless of how his peers have done

# Scoring Changes

The reference raw mark ranges for the Als are based on professionally set standards to have educationally meaningful differentiation of students.

The upper ranges are narrower because the PSLE is designed such that students are able to show what they can do and the large majority of students do well for the PSLE.

At the middle to lower grades, further differentiation is not meaningful and wider mark ranges are sufficient to give a good indication of a student's progress.

AL	Raw Marks Range
1	90 – 100
2	85 – 89
3	80 – 84
4	75 – 79
5	65 – 74
6	45 – 64
7	20 – 44
8	< 20

# Scoring Changes

The AL scoring for Foundation Subjects are pegged at AL6 to AL8

AL	Raw Marks Range
6	75 – 100
7	30 – 74
8	< 30

For students who are exempted from MT languages, their MT scores are also pegged at AL6 to AL8

# Scoring Changes

Students will continue to be assigned into Express, Normal (Academic) and Normal (Technical) courses.

Stream	Number of Points
Express	4 to 20
Express/N(A)	21 and 22
N(A)	23 and 24
N(A)/N(T)	25
N(T)	26 to 30 (AL7 or better for EL and Maths)

# Parent-Child-Teacher Conference (PCTC)

## Rationale for PCTC

PCTC provides an opportunity for **students to demonstrate their learning and understanding, as well as share their reflections.** With this, parents have a **fuller picture of their child's learning progress and holistic development**, and are better able to support their child at home. For the child, it is an opportunity to develop his/her confidence as a learner. This also further enhances the parent child bonding, teacher-student relationship and improves teacher-parent partnership.

- PCTC will be scheduled in May
  - 15 min per child
  - Slot to be booked online
  - More details will be sent to you closer to date of conference

# Home-School Partnership

Developing good habits

We want to nurture your child to be a self-directed learner with good habits and takes responsibility for his/her own learning.

- **Home routine**
  - *Have a specific place for items to be signed by parents*
  - *Set an early bedtime*
  - *Read with your child*
  - *Set them housework etc.*
- **Study area**
  - *Set up a conducive home environment e.g. set up a well-lit desk and a study area at home*

## Developing good habits

We want to nurture your child to be a self-directed learner with good habits and takes responsibility for his/her own learning.

- **Home learning support**
  - *Parents complement school practices in terms of homework and learning support (if the child needs it)*
- **Nurture independent learner**
  - *By nurturing an independent learner. e.g. Parents should ask child about what he/she has jotted down in his/her Student Handbook instead of asking the teacher*

## Developing good habits

We want to nurture your child to be a self-directed learner with good habits and takes responsibility for his/her own learning.

- **Allow failure**
  - *If your child forgets to bring something to school, do not panic, do not worry. Your child will not face harsh punishment i.e. **Do not bring items to school for your child if he/she has forgotten it.***

# Class Expectations

- **Birthdays**

While birthdays are important days to remember, holding birthday parties in the school is not allowed. A culture of appreciation can be cultivated through simple and meaningful gestures like singing a birthday song in class. We want our students to build quality relationships with one another and avoid comparing the haves and have-nots.

- **Showing Appreciation**

Appreciation can be shown to teachers through simple ways such as gifting a card. Please do not buy expensive gifts for teachers.
