Dear Parents/Guardians,

Re: Cantonment Share-A-Textbook” donation drive

This year , Cantonment Primary School will be holding a donation drive for school textbooks.

The “Cantonment Share-A-Textbook” donation drive will be held on 16 and 17 November 2022. It will be conducted in school.

The effort aims to raise awareness about reducing carbon footprint by donating used school textbooks, which are in good condition, and can be used by someone else.

Guideline for donation:

- We accept Primary 1 to 6 textbooks in the current syllabus only.
- Books must be in good condition, e.g. no missing pages , not mouldy or yellow.
- Current students from P3 to P5 should not donate their Science textbooks as they need them for revision.

Please remind your child/ward to place their used textbooks at the designated location in the school canteen.

As part of the share-A-textbook programme ,we will be donating the collected textbooks to NTUC .Parents may collect these used textbooks from NTUC. Do refer to the link for more information. <https://fptextbook.com/beneficiaries-form/>

Thank you for working with us to educate your child/ward in raising awareness on the importance of reducing waste and carbon footprint through reusing textbooks.

Yours sincerely,

Mr Bunawar
