### 1<sup>st</sup> Recycling Drive 2023

Dear Parents/Guardians,

Cantonment Primary School will be holding a recycling drive on **19 April 2023, Wednesday, from 7.15am to 7.45am**. This recycling drive is organised by our Prefect Executive Committee.

We highly encourage your child/ward to bring recyclables from home on this day. Students will sort the recyclables at home and bring them to the recycling corner beside the canteen, where they would place the recyclables into four different categories – **Paper, Plastic Group 1, Plastic Group 2** and **Metallic** items.

Through the recycling drive, we hope to:

1. educate students the proper way to clean, sort and dispose recyclables
2. instil in students respect and responsibility for the environment

Here is a list of recyclables we will be collecting during the recycling drive:
