

24 February 2023

2023-080

Dear Parents/ Guardians,

SwimSafer Programme Assessment 2023

We refer to our letter regarding '**SwimSafer Programme for Primary 5 Students 2023**' (ref 2023-002) sent on 30 December 2022.

Your child/ward would be into his/ her final week(s) of the swimsafer programme. Please note the assessment information below.

1 Practical Assessment

There will be a practical assessment on the last lesson, facilitated by external qualified SwimSafer programme assessors. There will be no re-tests if students missed the session.

2 Online Theory Quiz

Upon completion of the SwimSafer Programme, students would need to take an online theory quiz via the ActiveSG portal via <https://members.myactivesg.com/swimsafer> within two weeks after the practical assessment to prevent any delays in the process of the results. Please refer to the User Manual attached for details.

3 E-Certificate

Upon passing both the practical assessment and online quiz, parents can access the SwimSafer e-certificates via the members' account <https://members.myactive.com/auth>. Please note that parents/guardians will have to sign up for a free ActiveSG membership and tag your child/ ward as a supplementary member.

If you have any questions or feedback regarding the programme, please contact your child/ward's PE teachers.

Thank you for your support and partnership in education.

Yours sincerely,

Mr Wilbert Tan
HOD PAM & CCA

Mrs Manokara S
Principal
