Dear Parents/Guardians,

**"The Leader in Me"**

We are excited to share with you that our school will be embarking on "The Leader in Me" journey, where students are introduced to the 7 Habits, principles of which are espoused from "The 7 Habits of Highly Effective People". It cultivates 21<sup>st</sup> century leadership skills and instils a sense of empowerment in students.

- Purpose: *We believe that every student is a leader and aspire to equip students with the necessary leadership skills to be "Concerned Citizens, Innovative Thinkers and Passionate Learners"*
- Process: *A weekly 30-minute session set aside during school hours starting in Term 2. Our P1 and 2 students will undergo the training, conducted by our school teachers during Programme for Active Learning (PAL) and Form Teacher Guidance Period (FTGP) lessons and Values-in-Action (VIA) sessions.*
- Intended Outcome: *Students will develop to be leaders anchored in values, empowered to lead themselves and others*

Our teachers will conduct various activities using a leadership guide that each student in the P1 and P2 level will receive. The cost of the guide will be covered by the school. From time to time, your child/ward will bring home questions about leadership and we hope that you can partner with us by encouraging your child/ward to look out for ways to apply the skills at home.

We believe that a supportive home and good school-parents partnership will greatly reinforce and strengthen the learning in the classroom. We are excited to partner you in this journey and are organising a parents' engagement session for you to learn more about the programme. The session will be conducted by the team Franklin Covey, the training firm behind "The Leader in Me" so that you can gain a better understanding of what the programme is about.
