We have appointed Kidz Treehouse International Pte Ltd to manage Kidz Treehouse Student Care Centre in our school since January 2018.

The school-based Student Care Centre (SCC) serves to:

- 1) provide safe and conducive after-school care for students;
- 2) complement MOE in providing educational and developmental support for the students;
and
- 3) reach out to the needy students and their families to provide holistic and family-centric assistance.

We have limited places in the school-based SCC places and priority will be given to students on financial assistance scheme. The other selection criteria are as follows:

- 1) Singapore citizens and PRs;
- 2) Students whose parents are both working

The following are enclosed:

- 1) Registration form
- 2) Student Care Fee Assistance (SCFA) Scheme Application Form

Please note that the submission of application form and the required supporting documents do not guarantee successful placing in the SCC and your child will be placed on the wait list if you would like us to do so. The completed forms must be submitted to the school's General Office.

Thank you.
