Dear Parents / Guardians,

2022 National Education (NE) Show for P5 Students on 9 July at The Floating Platform (Marina Bay)

The National Day Parade (NDP) is held annually on 9 August to commemorate and celebrate Singapore's independence. With the easing of SMM, the NE show will resume for the Primary 5 students this year. The NE show is a special preview of the NDP and provides our students with a once-in-a-lifetime cohort experience to immerse "live" in the full spectacle of the parade. MOE partners the NDP organisers to arrange the NE Shows for all P5 students annually. **Attendance is compulsory and all students are required to attend the NE Show.** A letter of excuse or medical certificate will be required for any absence.

In the event should the NE Show be called off due to inclement weather, a mass SMS will be sent out to inform all parents. Parents may also call the school handphone number at **83547132** on 9 July 2022, only in the event of any emergency. Please note that this number is **only** for use on 9 July 2022.

Students are advised to have their lunch before coming to school. A light snack will be provided for the students before leaving the school.
