Dear Parents and Guardians,

Primary 4 Values-In-Action (VIA) Project

Cantonment Primary School aims to nurture and empower students to realise their potential in making a difference to others and to pave the way for a brighter and more sustainable future.

Creating Eco-Upcycled Products

The Values-in-Action (VIA) project for our Primary 4 students will focus on how they can reduce waste by creating upcycled products. These upcycled products will be put up for sale during Terra Village.

Classes	Day & Date of Programme	Time

**Lunch will be from 1.30 – 2pm. Students will remain seated at their canteen tables for their form teachers to bring them back to their classrooms.*

Students are required to attend the session and attendance will be taken. We strongly encourage your child / ward to be part of this meaningful activity.
