

13 March 2025

2025-087

Dear Parents/Guardians,

Invitation to participate in the Singapore Primary Science Olympiad 2025
(Primary 5 students)

1. Cantonment Primary School is pleased to host the annual Singapore Primary Science Olympiad (SPSO) organised by National University of Singapore High School (NUS High).
2. The objectives of the Science Olympiad are:
 - Identify Singapore's Science representatives for the International Mathematics and Science Olympiad (IMSO)
 - Generate greater interest in Biology, Chemistry and Physics among primary school pupils
 - Cultivate enthusiasm and instil a passion for science subjects
 - Provide an avenue to showcase pupils' abilities in science subjects
 - Nurture talents in the Sciences
3. SPSO is open to Primary 5 students in Singapore and will be held in the respective schools on **Tuesday, 20 May 2025**. There is a registration fee of \$24 nett. There is no refund of the registration fee.
4. If your child/ward is interested in participating in SPSO, kindly email Mr. Seah Tiong Boon at seah_tiong_boon@moe.edu.sg by **21 March 2025, 5pm**. Please include the full name of your child(ren)/ward(s) and class he/she is in.
5. NUS High is introducing a new registration and payment process using FormSG and Stripe, allowing parents to register and make payment directly to NUS High School. Details of how to register your child/ward will be provided once an email to indicate interest has been received.
6. Please note that participation is entirely voluntary and based on individual interest. Should you have any questions, feel free to contact me at seah_tiong_boon@moe.edu.sg or **6499 9406**.
7. Thank You.

Yours sincerely,

CANTONMENT
PRIMARY SCHOOL

Mr Seah Tiong Boon

Science Olympiad Competition Coordinator

cc Ms Grace Foo,
Principal
